St. Albert Bids on 2nd Campus

Mayor Fowler released last Friday a brief by the Town of St. Albert which had been presented to the Provincial Government in July, making a bid for a Second Campus of the University of Alberta to be located here.

Four or five years of planning are required in advance of new campus buildings going up and the St. Albert brief was timed to allow ample provision for the necessary advance planning.

The many advantages of the Town of St. Albert as the site of such a campus were put forward in the well-prepared brief. The town is within easy commuting distance of a large segment of the future student population. The area North of the CN tracks (St. Albert and Jasper Place) have the greatest percentage of population under 21, and this wave of students is at present in elementary schools. In planning a University, these figures are more important than the residence breakdown of University students at the present time.

major advantage which the Town can offer is attractive residential areas for staff and faculty.

A campus here would be accessible from all areas and traffic problems such as experienced around the Edmonton Campus can be avoided. The natural beauty of the terrain of this area fulfills a further important consideration in planning a campus.

The action of the Town in making no announcement for some three months after presentation of the brief was taken to avoid land speculation in the area. All possible assistance will be available to the University from the staff of the Town of St. Albert and the Edmonton Regional Planning Commission.

Kinsmen to Sponsor Hockey

Once again, local Kinsmen have recognized a need in the community and have quickly responded. At a recent meeting they examined and subsequently approved a proposal which will involve the Club members in the supervision of hockey in St. Albert.

The services of the Club will be in addition to and in conjunction with those provided by the Town's Parks and Recreation Department.

Primarily the club will co-ordinate games and practices, and will assist in the acquiring of managers, coaches and referees. Citizens who are able to help in any of these areas are asked to call the Committee Chairman, Rod Erickson at 599-7635. Youngsters are reminded that registrations are being accepted at the Town Hall, closing date NOVEMBER 10th, 1966.

KINCINEMA WILL RECEIVE: The Kinsmen Club have noted with a great deal of satisfaction, the very favourable manner in which the community has responded to their provision of Kincinema in St. Albert.

Each Saturday afternoon for the past three weeks, children (and adults too) have been able to enjoy the very best in movies for the young at heart. Strict supervision by the Kinsmen during the shows has added to everyone's enjoyment of this entertainment. There are many more "really big shows" lined up for the weeks ahead, so watch for them.

New Years Eve Party for Teens

Under the patronage of the St. Albert Centennial Committee the Catholic Women's League will sponsor a New Year's Eve Dance for St. Albert's teenagers. The Dance will be a birthday party and it is hoped that the teenagers and their families will come to celebrate the coming of 1967 together. The Dance will be held in one of St. Albert's High School Gyms and will be run on a non-profit basis thus keeping costs to a minimum. A buffet dinner will be served during the evening and it is hoped that an Edmonton radio station

celebrity will act as M.C. The band will be GREAT and one that can give a frug or swing a fox trot.

A willing group of St. Albert young married couples are planning the gala party. Chairman is Jerry Smith, Decorations, Maureen Batty, Publicity, Bill Batty, Finance, Brian Haslam, Concession and Food, Carmen Tellier, Band and Entertainment, Claire Kennedy, Phonograph and Co-ordinating, Ann Smith. Plan a family New Year's Eve Party, Canada's having a Big Day! Let's all go to the Party!

St. Albert first over the top

Mrs. K. C. Welsh, Chairman of the United Community Fund of Greater Edmonton's Residential Canvass, is pleased to announce that St. Albert whose area chairman is Mrs. William Bishop, was the first division to go over the top with \$214 more than their target of \$1,398 to bring \$1,612 to U.C.F.'s victorious campaign.

Team captains who are credited with this success are Mrs. M. Montpetit, Mrs. P. Hapchyn, Mrs. G. McLaughlin, Mrs. R.

Gibbons, Mrs. R. H. Grant, Father Albert Laisenz, and from the St. Albert Chamber of Commerce, Mr. B. Montpetit, and Mr. James Byrne, canvassed the downtown area.

The success of the St. Albert

campaign, Mrs. Bishop says, is early organization - a Wednesday, Thursday and Friday blitz in early October - and tremendous organization of her team captains, plus hard working canvassers "who really did a job." Mrs. Bishop as area chairman also canvassed the Sturgeon Heights district herself as team captain.

"We are very proud of the St. Albert canvassers and donors," Mrs. Welsh said. The residential division came up from \$63,000 reported at Friday's Victory report meeting to \$75,000 by Monday. The target is \$84,565 for the Greater Edmonton Residential Canvass which should be finished by Wednesday, November 2, 1966.

Board accepts resignation Dr. Proudfoot

Mr. Ronald H. Harvey, Chairman of the Board of Trustees of the St. Albert Protestant Separate School District No. 6, announced Thursday evening that Dr. A. J. Proudfoot, Superintendent of Schools for the past three years, has tendered his resignation.

The Board has accepted it

with regret and only after attempting to have Dr. Proudfoot remain with the District. Dr. Proudfoot will apply for a position at the University level, and does not expect to leave the District until the end of June, 1967, in order that the Board may have ample time to select his replacement.

Finishing their lunch at the end of a happy evening are: (from left) Les Bond, Edmond Ricard, Napoleon La Force, Joseph Varré George Jeffrey, Andre Gagné, Jean Baril and Irene Ricard. Some of the decorations are seen in the background. Photo by John's Photo Craft.

Workmen for Superior Granite Ltd. are pictured as they dig out the Diving Tank area of the new Swimming Pool going up on Grenfell Avenue in Grandin Park. Steel reinforcing was put in today and concrete pouring begun, which is expected to be completed by the end of the week.

Council awards pool contract

Resumption of Meeting, held on Tuesday, October 25th, at 7:00 p.m.

PRESENT WERE:

Mayor Fowler, Councillors Bakker, Parkes, Gibson and Wheatley, Secretary-Treasurer L. Wheatley, J. Maandag, Town Engineer, S. L. Billings, Assistant Secretary-Treasurer, A. Gate, Parks & Recreation Sup't., and Mrs. G. Reken of Reken, Hilmayer & Co.

SWIMMING POOL TENDERS:

Mayor Fowler introduced Mr. Reken to members of Council and advised that the meeting had been resumed for the purpose of making a decision regarding the awarding of a contract for the swimming pool.

Mayor Fowler now presented the recommendation of the Swimming Pool Committee - that the contract be awarded to Superior Granite Ltd., for the contract price of \$85,800.00. Mayor Fowler also advised that he would be making a recommendation later in the meeting. A letter from Mr. Reken, regarding Winter Works Grant and extra cost to the Contract, was read by the Mayor. The extra cost was quoted as a maximum of \$2,500.00.

Mr. Reken explained to Council the reasons why his firm had

not given an equal on certain items of equipment included in the quotation submitted by Oso Engineering.

Mayor Fowler now presented a letter from Mr. Reken regarding his prior interest in Aqua Pool Equipment, and the question of a conflict of interests which was of concern to Council. A memorandum from Councillor Donais, Chairman of the Swimming Pool Committee, with regard to the Oso Engineering tender, was also read by Mayor Fowler.

The Mayor now submitted the following recommendation to Council:

that the tender of Superior Granite be accepted and that the Diving Equipment of \$3,300.00 be added in and made part of this Contract, the extra to be obtained out of Revenue in 1967.

Details as to cost were given as follows:

Tender \$85,800.00
Diving Equipment 3,300.00

Consultant's Fees 89,100.00
4,290.00

By-law 93,390.00
75,000.00

Swimming Pool Grant 7,000.00
Net Winter Works 8,750.00
Extra out of Revenue - 90,750.00
2,640.00

It was decided that the Contract for the construction of the Open Air Swimming Pool and Bathhouse be awarded to Superior Granite Ltd. on the basis of \$85,800.00, plus \$3,300.00 for Diving Equipment, plus an additional \$2,500.00 allowance for Winter Works.

Councillor Bakker referred to the question of conflict of interests and possible breach of ethics and suggested that we submit a copy of the Contract, plus the letters received from Oso Engineering, plus the letter from Mr. Reken, to the Association of Professional Engineers, advising that we are somewhat disturbed with the practices which seem to have been engaged in and request that they look into the matter and advise if the actions taken were proper.

Mayor Fowler informed Council that he had been contacted by the Solicitor for the Assoc-

Senior Citizens enjoy lively Halloween

Members of the Father Lacombe Chapter of the IOOE and their husbands joined with their guests, St. Albert's Senior Citizens for a gala evening of dancing and fun in the Clubhouse last Friday.

Students of Paul Kane High School loaned the decorations they made for their Halloween dance which made a most colourful display and added immensely to the party atmosphere.

The older folk proved as lively or more so as the younger ones and won many prizes in the spot dances, including steak knives, wine, tobacco, man's shirt flowers and many more. Punch and chips and crackers were served during the dancing and a lovely lunch completed the evening. On behalf of the senior citizens, Mrs. Laderoute thanked the I.O.O.E. members for a thoroughly enjoyable evening. Mr. Harrison also tendered thanks to the I.O.O.E. for the Parks and Recreation Department, adding that he hoped this would be the beginning of a Friendship Club organized by the Senior Citizens. He asked that every body meet again on Friday Nov. 4th at the Clubhouse at 7:30 p.m. to start planning winter activities.

The I.O.O.E. Chapter would like to thank the following merchants for their generous contributions and prizes, which helped so much to make the evening a happy one for the Senior Citizens of St. Albert:

Canada Safeway,
Jim Bourne, Mens Wear,
Grandin Beauty Salon,
Hilde's Flowers,
Marshall Wells Store,
Goodie's Variety Store,
Euro-Canada,
Emery's Pipe Shop,
Grandin Bakery

St. Albert space saucer lands at St. Paul pad

THE HIGHLY ADVANCED CIVILIZATION OF ST. ALBERT SPEARHEADED BY THE CENTENNIAL CREW, GAVE A BOOST TO THE LANDING PAD PROJECT AT ST. PAUL THIS WEEK.

A Model Flying Saucer designed with imagination and colorful artistry and bearing the signatures of our "Celestial Citizens" was dispatched to St. Paul community this week. An Official letter of presentation "To Earthly Residents of St. Paul" accompanied the saucer saying in part, "As Your Much Publicized Landing Pad is Not Yet Functional We Celestial People Resort to the Earthly Transportation of Her Royal Majesty's Mail".

Instructions and equipment for launching the saucer were also forwarded. In view of the fact that St. Paul is conducting its first experiment of this nature, the equipment was kept simple -

being a piece of chewing gum for use by their Captain in attaching the Saucer to the Pad, and a fire-cracker for launching it.

It is hoped by Leader Richard Fowler of St. Albert, "STAR OF ALBERTA" that the presentation of this "Flying Saucer" will help our neighbour to the north in their commendable Centennial Project. Mayor Fowler is incredibly busy at present supervising after the enormous activity of the bustling metropolis of St. Albert. However if he can get away he would be prepared to drop in on the Mayor of Maseconette, capital of Mars, and put in a good word for St. Paul's landing pad.

Editorials

It's a good question

The topic which the Honourable A. J. Hooke, Minister of Municipal Affairs, will speak on at the Chamber of Commerce dinner, November 9th, is one of considerable interest to all residents of St. Albert. "What is the Future of a Dormitory Town?" is not a simple question by any means due to the problem of financing such a town on a base of almost entire residential property.

At a time when planners in dense population areas in the U. S. A. are thinking in terms of one city blending into the next over miles and miles of multiple-metropolis living, people wonder how long they can hope to enjoy the advantages of the kind of community living we have in St. Albert. Unfortunately the matter can't be decided by just asking the residents - "Would you prefer St. Albert to be a separate entity, or a part of Edmonton?" At the moment we have the advantage of being close to all city facilities yet retaining a country-style residential area.

Mr. Hooke will undoubtedly have some highly interesting information on the subject and it is to be hoped that a good crowd of local people will get tickets from the Chamber of Commerce and go to hear him. A public which keeps abreast of developments, and as fully informed as possible on civic affairs, can give strong support to Town Council, the Chamber of Commerce and all those concerned with planning for the future.

Quests Editorials

Old fashioned ways still sell

A SALESMAN recently described a customer as a person with 237 children, 11.8 sons, and several hundred dollars in debts.

... a doctor pre-shopping on an ice crusher, buying the first color combo he sees, or a milk-dealer dicker with no down payment.

... a man who weighs the purchase of an air conditioner for eight months, buys it at 8:54 p.m. on a Saturday, lugs it up four flights and installs it himself.

... one who reads consumer guides, listens to salesmen, and buys what his brother-in-law recommends.

... the guy that bought his TV across the street and comes to you with a complaint.

... a person who dislikes sales taxes, excise taxes, income taxes, stock troubles, burned out tubes, Elvis Presley and delivery men with muddy shoes.

... the chap who will buy a video tape recorder when the price goes down to \$289.50. His four-year-old stereo tape recorder has been in the closet for three years.

... the sport who spends \$189 to go on a goose-shoot and wonders why his

electric light bill is 14 cents higher than last month.

When the kids are married, he is going to get a brand new custom kitchen. His wife is going to get a brand new custom kitchen next week. He wants microwave relays, semiconductor transistorized circuits, automatic ice makers, and the serviceman to arrive promptly at 8:03 p.m. - favors weekend sales, instant credit, immediate delivery, pro football and pizza pie.

He is the despair of his family, the hope of the economy, the will-o-the-wisp of the dealer and the savior of the salesman.

"Knowing how to appeal to customers through their particular wants is the secret to successful selling," says George T. Barr in the Alberta Hotel Review. "No business can stand on its own feet without finding, winning, and keeping customers."

There are still many old-fashioned people who believe that the best way to keep customers is to give them value for their money, personal attention and intelligent service. A satisfied customer remains the foremost factor in developing new business. To keep him satis-

fied requires a demonstration of interest in his affairs, his family, his hobbies or whatever is uppermost in his life - still maintaining the delicate balance of not invading his privacy.

"Courteous and efficient service requires an alertness to avoid irritating delays and patient attention to the details of customers' wants. We are in the business of serving people, and the big secret of winning customers and friends on a permanent basis, is to perform this service, not passively, but enthusiastically, but actively, eagerly and spontaneously."

"Be tactful and patient with those who are difficult to handle. Get complaints out in the open. Apologize promptly and without reservation when the mistake is yours. Never allow a customer to lose face, even when he is wrong."

"Alertness on the part of the staff to do a service, no matter how small, for everyone approaching them in connection with business, can revolutionize the industry. Little services consume little time but are often magnified in importance in the minds of the people receiving them."

habit is hazardous to health, yet the consumption of cigarettes continues to increase.

Faced with this evidence, it is easy to understand the discouragement of some of those who, seized with the seriousness of the problem, have worked hardest in the campaign against it; yet they should take heart. There is evidence that in spite of the average figures for consumption which have been quoted, certain groups of the Canadian population are reacting to the hazard by giving up the use of cigarettes. There is no doubt at all that an increasing proportion of the medical profession is joining the ranks of non-smokers. Periodic surveys in Great Britain and in North America since 1951 have shown a decline in the percentage of those questioned who use cigarettes, from 55% to less than 25%. During this period, there has been an increase in those who never took up the habit and an increase in the proportion of those who gave it up, who did so because of the scientific evidence concerning the hazards rather than because of symptoms of ill health.

A second group whose members are heeding the warning is made up of executives, leaders in the business and professional world. These are persons who in many instances are senior officers in major corporations. Their continued good health is a matter of interest to the organizations which they lead, such that many undergo periodic physical examinations. Whether because of their physicians or because of their own assessment of the risk, it is becoming noticeable that the use of cigarettes is declining as judged by consumption during meetings of committees and boards of directors.

A third group is to be found among the smoking population itself. On the basis of experience with smoking withdrawal clinics and with other intensive programmes, it is estimated that 10% to 20% of the people who smoke will give up the habit. This is

a relatively small rate but it represents a large number of persons and it suggests that those who are working to overcome this health hazard are offering a real service to many individuals.

There is much to be learned by cigarette smokers and about smoking behaviour; and the effectiveness of smoking programmes must be measured if the campaign is to be successful. At the present time, it is obvious that all current anti-smoking methods, including educational programmes, the use of drugs and of intensive psychotherapy are limited in effectiveness, and that the results of public education programmes are transitory. Answers to the problems created by these observations will come, in part, from research on behaviour on what it is that is effective in persuading people to change behaviour of any kind.

The Canadian Cancer Society cannot afford to postpone action while waiting for the answers to these conundrums. It must use as many approaches as are open to it and explore all new ideas. The Society has recommended to the Federal Department of National Health and Welfare that it support research on the motivation of smoking, and representatives of the Society are participating in the operation of smoking withdrawal clinics to gain first-hand knowledge on the problems of smokers who wish to quit. The Society will also seek governmental action at Federal and Provincial levels to enable information and warnings about the hazards of smoking to be given even wider publicity.

At the same time, it has been agreed that we must continue our activities directed against the smoking habit by intensifying our education programmes, by encouraging greater participation of the medical profession in our activities and by working with the school authorities to expand school programmes and by urging governmental health authorities to increase their activities in this field.

Tuberculosis still a menace

The Alberta Tuberculosis Association is presently conducting a chest x-ray and tuberculin testing survey in St. Albert, and some people may ask "Why is it necessary for me to have a chest x-ray?"

FIRST OF ALL, BECAUSE TUBERCULOSIS IS STILL A CONTAGIOUS DISEASE OF MAJOR PROPORTIONS, THE STURGEON HEALTH UNIT REPORTS SHOW A TOTAL OF 84 ACTIVE CASES OF TUBERCULOSIS TO THE PRESENT TIME (OF female and 17 male), HIGHEST NUMBER OF THESE CASES REPORTED IS IN THE 60-80 AGE GROUP! Here is the breakdown

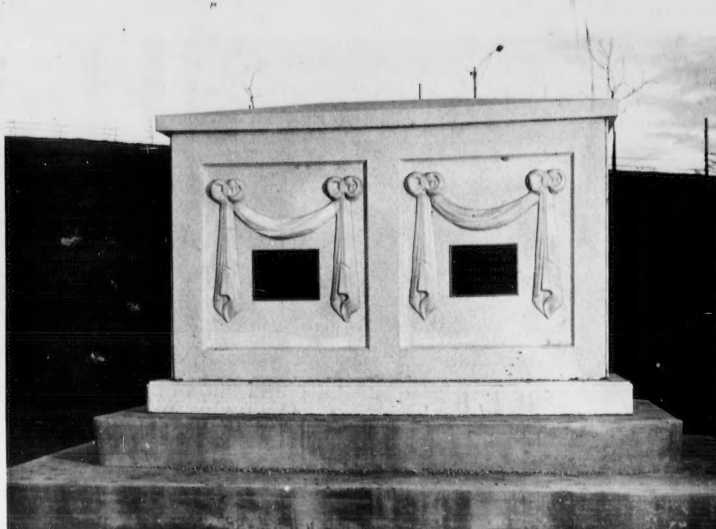

1 Case occurred in a baby
5 Cases in the 20-30 Age Group
15 Cases in the 30-40 Age Group
16 Cases in the 40-50 Age Group
17 Cases in the 60-80 Age Group

In addition 300 known reactors to the tuberculin test are reported and in the Sturgeon Health Unit 11 cases were admitted to sanatoriums in 1965.

Children who have been exposed to the disease are found through the regular testing programs carried out in the schools, but the Mobile Unit is the only way to find new cases in the adult population. Every adult should take advantage of the unit to have a free chest x-ray and skin test, so that the disease may eventually be eradicated.

Many other abnormalities, aside from tuberculosis, are detected through the mobile x-ray, and persons discovered to have other diseases conditions are notified and advised to see their doctor.

Our Health Unit and the Alberta Tuberculosis Association are doing an excellent job, but they do need the co-operation of the adult population. Take a few minutes - go and have an x-ray. Any parent concerned about a pre-school child may make an appointment at the Health Unit for a test.

"LEST WE FORGET" - WEAR A POPPY REMEMBRANCE DAY

MAYOR'S COLUMN

We are averaging approximately thirty incoming telephone calls a day in regard to the \$50 Tax Rebate. Possibly a short explanation here will answer a few questions our citizens must have.

Firstly, the Town can make the rebate ONLY after it is received from the Provincial Government and the Provincial Government will make it ONLY after the taxes have been paid in full. The requests for the rebate are sent in to the Government in

"batches of one hundred". In total so far we have sent in twenty batches and have received rebates on the first two. Our explanation here will answer a few questions our citizens must have. Firstly, the Town can make the rebate ONLY after it is received from the Provincial Government and the Provincial Government will make it ONLY after the taxes have been paid in full. The requests for the rebate are sent in to the Government in

bate cheque no longer than one week after it is received at Town Hall, and our information is that all "applied for rebates" should be issued within one month. Please bear in mind though the following: 1. Taxes must be paid in full for 1966 by you or whoever carries your mortgage, 2. We must receive the rebate from the Government before remitting to you. The remittance to you will be no longer than one week after receipt from the Government.

Councillor J. J. Bakker can now be congratulated for his chairmanship of the University Committee, (Committee of one). The brief which was prepared after a great deal of study and submitted in July of this year was well received by the Un-

iversity President, Premier Manning, Board of Governors of the University of Alberta, and Provincial Cabinet. There is reason to be optimistic that the second campus (or new University) may be located in or close to St. Albert. While discussing the matter with the Honourable F. C. Colborne, (Minister of Public Works) he pointed out that the land the Indian Residential School farmed east of St. Albert (and now owned by the Government of Alberta) is considered the most likely at the present time. A University situated either there or in the Town limits would have much the same beneficial effect to St. Albert. We are awaiting a meeting with Premier Manning and a Committee of Cabinet.

OUR READERS

have their say

ONE MAN'S VIEWPOINT

St. Albert is a logical choice for a university location serving the Edmonton District and our Town Council is to be complimented for the quiet and sincere manner in which they have presented their proposal to the Provincial Government.

While no decision has been made, we can only hope that it will favour St. Albert. We have much to offer as a university site and, a university would be a great financial boost to our town.

We often hear people talking about attracting "industry" to St. Albert. But honestly, I don't want industry here. We moved to St. Albert so that we might enjoy the rolling hills, the river valley and the quietness of country living.

I also hope that our next university will be built on a total concept molded to the hills and valley and not just a jumble of unrelated buildings as is the case on the present campus.

B. C.'s Simon Fraser university is built on a mountain top bridging two peaks on a ridge. We don't have a mountain but we do have more to offer than any other area in this district. I'm sure everyone will be waiting with much interest the government's decision.

By Bob Russell.

HIGH LOCAL PRICES

Dear Sir:

Signs are prominently displayed in our Town which tell us to "Build St. Albert, Buy St. Albert". We are reminded that dollars kept at home will benefit our community; however, when one firm takes advantage of its location to capitalize on higher prices, one may justifiably ask, "How many more businesses are taking advantage?"

One specific instance, which is not an isolated case, is: A prescription, which cost \$3.35 in St. Albert, was refilled in Edmonton, for \$2.80.

The business community of our Town should not allow a few members to spoil the en-

COUNCIL AWARDS

Continued from Page 1
lation and that Mr. Cook had lodged a complaint against Mr. Rekken. Because of this, the Town would not doubt be requested to submit the material referred to by Councillor Bakker.
Councillor Gibson raised the matter of future tenders and suggested that when tenders are called it be specifically stated under what conditions they will be accepted.
Meeting of Council held on Oct. 24th, 1966.

PRESENT WERE:

Mayor Fowler, Councillors Parkes, Bakker, Wheatley, Donalds and Gibson.
L. Wheatley Sec.-Treasurer, S. L. Billings, Assistant Secretary-Treasurer, J. Maandag, Town Engineer, J. D. Robert, Building Inspector, A. Gate, Parks & Recreation Sup't., J. X. Woodroffe, Edmonton Regional Planning Commission and Mrs. B. J. Williams, Recording Secretary.

REPORT OF RETURNING

OFFICER: Mr. L. P. Moore was heard. Councillor Bakker pointed out that 44.3% of the Proprietary electors had recorded their votes, 51% of the Separate School Supporters and 37.2% of the total electorate. Mayor Fowler considered this a very favourable indication of the interest of the St. Albert citizens in the affairs of the Town.
A Motion that the Agreement between the Canadian Union of Public Employees, Local 94, and the Town of St. Albert as presented be ratified was carried.
DURING THE DISCUSSION, COUNCILLOR GIBSON ASKED MR. WHEATLEY TO CHECK INTO THE MATTER OF UNIONS BEING PAID BY STUDENTS.

A motion was passed that we instruct Hamilton & Olson to prepare a contour map with 2' contours for the area described in the report of the Edmonton Regional Planning Commission, at a total cost of \$250.00.

FINANCE COMMITTEE: Councillor Parkes reported on the meeting of the Committee held on October 20th, 1966.

TAX RECOVERY FEES: A motion carried that the fees for Tax Recovery Action to be set at \$10.00.

CROWN ASSETS DISPOSAL - PUBLIC WORKS AND RECREATION BLDGS: Council decided that a bid be placed for the metal "H" shaped building and that we obtain two of the smaller wooden buildings for recreation purposes. Also, that we apply to the Local Authorities Board for permission to Albert unexpended debenture monies for this purpose.

Council passed a motion that the garbage collection service be reinstated on November 1st and a by-law be prepared to charge an additional charge on the water bill of 55¢ per month to the people affected.

HIGHWAY LIGHTING: Councillor Parkes asked when we can expect the lighting on the Highway, within the Town, to be installed. Mr. Maandag advised that the layout plan has been approved and that the possible delay was caused by Calgary Power having to obtain easements on private property. Mayor Fowler requested that a report on this matter be brought to the next meeting of Council.

R.C.M.P. MONTHLY REPORT: Councillor Wheatley referred to the monthly policing report and the number of convictions in relation to the number of complaints received. He asked if further information could be obtained and Mr. Wheatley advised that he would check into the matter.

OLD ENGLISH FAIR: All Saints' Cathedral Hall will be visited on Saturday November 5th, by Mr. J. Walker-Brash of the British Information Office, who will arrive at 11:00 a.m., by horse drawn carriage to open the fair.

HERE IS THE STORY.

There exists in Alberta an Alberta Aviation Council (with offices under the Control Tower, Industrial Airport, Edmonton), which is sponsored by its members and the Alberta Government "to advance CIVIL Aviation throughout Alberta with one United Voice". Besides many other projects to carry out its aims it recently adopted one of the aerial marking of communities and their airstrips for Alberta Aviation. This projects very popular in the U.S.A. and states half the size of Alberta have over 1,000 such markers at communities throughout their state.

And why was St. Albert chosen for the pilot projects of Alberta? First, the Alberta Aviation Council wanted a location at

Edmonton or thereabouts as being central in Alberta to be seen by as many people as possible. Secondly, six templates of considerable size and weight were built and available in Edmonton for use on these signs. Thirdly, the AAC General Manager, Fred Winters, lives in St. Albert, at 2 Grenfell Avenue. Fourthly, Mayor R.S. Fowler and his Engineering staff were most receptive and co-operative to the idea when Fred proposed the pilot Marker to St. Albert, providing the AAC Marker could be shared or combined with an already planned St. Albert Centennial Sign for the curling rink roof - the best location in town for both signs.

The Alberta Aviation Council only sponsors markers painted to a recognized standard of color,

ANGLICAN CHURCH

TEACHERS MEETING: Sunday School teachers are asked to meet at the home of Mrs. Grice, 49 Balmoral Drive, on Wednesday, November 2nd, at 8:00 p.m. The meeting will discuss the needs of the Sunday School in relation to the proposed Building Program.

NOMINATION NOTICE

MUNICIPAL DISTRICT OF STURGEON NO. 90

Public Notice is hereby given that I will attend at Morinville on Saturday the 5th day of November 1966, from three o'clock in the afternoon to four o'clock in the afternoon for the purpose of receiving nominations for the office of Councillor. Two Councillors are to be elected for the following electoral divisions:

DIVISION NUMBER (ONE)
DIVISION NUMBER (FIVE)

Given under my hand at Morinville this 15th day of October 1966,
Clive R. Potter
Returning Officer.

Bon Accord

C. E. MCEACHERN HONOURED:

Mrs. C. E. McEachern and his sister Mrs. Maude McEachern have returned from a memorable trip to Prince Edward Island. They visited with a sister Ethel and brother Monty, their families and many relations.

Mrs. McEachern was honoured at a birthday party on Sept. 11, attended by 51 nieces and nephews at the home of his brother Monty, the former home of his parents, at Garfield, P.E.I.

They presented him with a travel alarm clock and socks. Fifty years ago on that day he was also honoured at a birthday and farewell party before leaving for England in 1916. Four persons attended both parties.

BON ACCORD UCV

18 Members and two visitors attended the October 18th meeting. Mrs. D. Lesyk led the Mission study on Brazil and a Thanksgiving devotional was presented by Mrs. E. Chubb. 36 sick visits were reported. Plans were made for the Nov. 11th Fall Supper and Bazaar under committee Mrs. McCue, Neilson, Arksey and Grant. They reported a large assortment of gift items for Christmas shopping for all ages.

K.C.'s install officers

On Sunday October 23rd, the solemn and colourful installation of Officers, by the Knights of Columbus Saint Anne Council 5010 took place in the Morinville Centre. For the first time guests were invited to attend. President - elected called the meeting to order, and Harve Vranas was Master of Ceremonies for the evening. Rev. Father Primeau, chaplain, led the gathering in prayers. District Warden, Maurice Budgett, and

Continued on Page 6

Keanes honored

On October 14th, the Legal teaching staff and the student body united in the gymnasium to present a gift and offer their best wishes to their principal and his wife.

Mr. Keane who has been teaching in Legal for a number of years, and has been principal for the last three years, is appreciated by the students for his capabilities in the administration of the school.

Mrs. Jeannine Keane (née Fortin) has been a member of the teaching staff since 1964. The happy couple were married in August in Edmonton. Our congratulations and best wishes to them both.

The St. Albert Figure Skating Club is pleased to announce that Mrs. Peggy Fairfield will be instructing their figure skaters this year.

Mrs. Fairfield has taught at the University of Alberta and for the past two years has been the Red Deer Figure Skating Club professional. She has completed the Canadian Figure Skating Association Seventh Figure Test and Silver Dances.

Mrs. Fairfield brings with her a wealth of experience and excellent opportunity to the Figure Skaters. Registrations for the St. Albert Figure Skating Club are being taken now at the Parks & Recreation Office, Town Hall.

Do you remember?

Three Legal youths Louise Coulombe, Madeleine Larose and Louis Lecavaller who participated in the Alberta Interprovincial Trip were happy to reunite in October with their thirty travelling companions. The students which had not seen each other since August 7th, when they returned home after a five week trip across Canada, were happy and excited to meet their friends for two days at the "College St. Jean" in Edmonton. The two days were speedily spent participating in different organized activities. Everyone enjoyed themselves immensely reminiscing and exchanging photographs. All were sorry when it was time to leave for home, but they all had hopes to meet again at a congress in Falher, Nov. 11 and 12th.

Brides Honored

Miss Yvette Maurier, daughter of Mr. and Mrs. Leo Maurier of Legal, was recently fêted at a miscellaneous bridal shower held in the Legal Community Hall with some 100 ladies present.

The guests were welcomed by the hostesses, Mrs. Roch Regimbal, Miss Yvonne Gagne, Miss Jeannette Rivard and Miss Doris Savard.

Petite Doreen Morin, was kept busy with her little wagon loads of gifts being brought to the gift table, for Auntie Yvette, Another niece, Miss Suzanne Maurier, also helped with these pleasant chores.

Many games were played, participated by all guests present young and old alike. At lunch time, the bride-elect, was seated at the table of honor, accompanied by her mother, Mrs. Leo Maurier, and Mrs. Henri Gagne from Vimy, mother of the groom to be.

Miss Maurier, in a few well chosen words thanked her hostesses and guests for the lovely gifts and good wishes from all.

Miss Germain Sylvestre, was entertained at a bridal shower held in the Legion Hall on Sunday, October 23rd with some 40 ladies present.

Miss Joanne Chevalier who welcomed the guests was helped during the evening by Mrs. Raymond Comeau, and Mrs. Joe Calder.

A selection of games was enjoyed immensely by all present. At lunch time Miss Sylvestre was accompanied at the head table by her bridesmaid, Miss Amy Comeau; her mother Mrs. Jeannette Sylvestre and Mrs. Rose Brochu, mother of the groom to be, Mr. Robert Weiss. She was

presented with two pieces of Carson luggage, on behalf of all her well-wishers, and friends. Miss Sylvestre very graciously thanked her hostesses for the lovely shower and all the guests for their generous gifts.

Bon Accord 4-H winners

On October 21st, two people in the Bon Accord 4-H Garden Club received a surprise.

Glenna Chubb 3rd year member was named the club's efficiency winner for 1966. Randy Schneider 1st year member was named the club week delegate for 1966, which will be held at Oksa or Vermillion in July on August 1967. Bill Chubb was named the runner-up for the club week delegate.

On November 4th, 1966 the Bon Accord 4-H Garden Club will hold its re-organization meeting in the club room of the hall after school - 4:00 p.m.

5th Annual A.J.C. Awards Calgary Power is proud to announce 1966 Award Winners

CALVIN HOLLAND,
Sindre

Alberta Junior Citizen of the Year.

Calvin had been sent out to look for his brothers and sisters. He thought they might be down by Bearberry Creek. As he was walking along the creek he suddenly spotted little 22-month old Jacqueline Bateman. She was completely submerged in the water - caught under a board. With great presence of mind and no thought for his own safety, 13-year old Calvin plunged into the creek. After freeing Jacqueline and making sure she was breathing normally he rushed her back to her home. As Mrs. Bateman says, "What can you say? 'Thank you' doesn't seem

enough." Calvin's courage and quick action undoubtedly saved the little girl's life.

We congratulate Calvin and wish to thank Alberta's Weekly Newspaper Editors for their active co-operation in the Alberta Junior Citizen of the Year program, sponsored by Alberta's investor-owned electric utility companies.

This is one of a series of Junior Citizen Award announcements. Our special thanks to Len Ruchka, Editor of the Sindre Round Up and to Calvin's nominator, Mrs. Alec Bateman of Sindre.

Anything Can Happen at a Halloween Party! This time a "Fireball" got a dunking in Morinville, but aside from a slight stinging sound when his head entered the water, the fireball suffered no apparent effects and finished the evening with his usual exuberance unimpaired. Mrs. R. Vranas joins Father Primeau in the fun to the delight of the small fry looking on. The occasion was the C.W.I. Tea on October 30th.

Costumed members of the CWI are grouped behind the lovely centerpiece arrangement for the CWI Tea at Mrs. H. Vranas, Mr. Ralph Gaetz, Mrs. Vincent Curtis, Mrs. Leon Bousonault, Mrs. Chris Vranas, Mrs. John Saunders, Mrs. Gordon Hittinger, Mrs. Clarence Staffes, Mrs. Tony Reusternel, Mrs. Maurice Logan, Mrs. Roger Raineau, Mrs. Roy Pilon.

Grand Supreme Dunking Champion, Mr. Norm Tremblay, President of the Lions, is suitable crowned for his efforts by Mrs. Roy Pilon.

News from Morinville

Congratulations to Mr. and Mrs. Louis Proulx on the occasion of their Silver Wedding Anniversary, Friday, Oct. 28th. A reception was held in the Morinville Legion Hall.

Mr. and Mrs. Sikko Kool have purchased the Peter Conway residence and Mr. Peter Conway

Morinville girl wins honors

PIANO-ACCORDIANIST, Chantal Brisson, daughter of Mr. and Mrs. Nap Brisson of Morinville, and pupil of Prof. Joe, Surrette, music teacher, won High Distinction marks in her Grade 4 Theory and Practices exams for the Western Music Board held in Edmonton last Saturday.

Miss Brisson was required to render three classical selections for her Theory. To qualify for her exams, she was required to play the classical selection "La Donna E Mobile from the Opera "Rigoletto" from memory, without musical score.

Chantal is now taking piano lessons as well as continuing her studies on the piano accordion.

Morinville Calender

NOV. 6 - CASH BINGO - Morinville Centre at 8:00 p.m. sharp. 20 games and a Jackpot game. Sponsored by the Hall Committee and net proceeds for dept payment.

NOV. 13 - GIRL GUIDES BAKE SALE - Morinville Centre, Funds for Korean orphan Centennial project.

NOV. 13 - MORINVILLE MOTHERS' LOCAL RUMMAGE SALE, in the Morinville Centre.

NOV. 20 - CENTENNIAL CAKE DECORATING CONTEST AND BAKE SALE, in Morinville Centre. Prizes will be awarded to the two best decorated cakes, using Centennial theme. Miss M. Oakes, Home Economist will judge entries. Sponsored by Morinville Centennial Committee.

brated her 83rd birthday. She is now a guest at the Youville Home in St. Albert.

It was reported that Albert Lelanc of Morinville and a friend named Cardinal rolled over in a car accident on the road west of Morinville, a week ago. No serious injuries were suffered by either one, but the car was badly damaged.

Mrs. Eugene Cournoyer and her daughter, Mrs. Bougie are enjoying their trip to Europe and are expected back soon. Several Morinville district residents travelled to Primate Sask. last week-end to Charles Bachand's wedding. Among those week-end trippers were Mr. and Mrs. William Krauskopf, Mr. and Mrs. Rom Delancourt, Mr. and Mrs. Albert Craig and Miss Louise Craig.

Mr. and Mrs. Matt Hittinger accompanied by visiting relatives from the States are holidaying in Portland and points south of the border.

Mr. Eugene Cournoyer is patient in an Edmonton Hospital. Rev. Father Armand Beaupre, and several other visitors from Morinville attended the parish supper at Vinny recently. They were welcomed by Rev. Father Desjardins, pastor and enjoyed the sumptuous home cooked meal by the Vinny ladies.

A good number of young folks enjoyed the Sunday howling in St. Albert last Sunday afternoon. Morinville residents were very proud of their pastor, Rev. Father Primeau, for his excellent presentation of "Showcase" Thursday evening on T. V.

Choir practices are underway under the direction of Mrs. Leon Rippe and Mr. Geo. Lavallee. Mr. and Mrs. William Hickey are receiving congratulations on the arrival of their first born, Glenn Williams, 7 lbs 9 ozs. Mr. Jack Kilen left last Sunday for a 2 week trip to Montreal and points east for a well earned rest.

Kooi-Kosch Wedding

Special to the Gazette.

Miss Margaret Kool of Morinville, daughter of Mr. and Mrs. Sikko Kool, and Gerard Kosch of Onoway, son of Mr. and Mrs. Joseph Kosch, exchanged vows in a private wedding ceremony held in St. Albert United Church, with Rev. G. Musto officiating.

For her wedding the bride, chose a white sheath model dress with veil and crown, to complete her bridal ensemble she carried a bouquet of red roses.

Mr. and Mrs. Ben Kool, attended the bride and groom. Following the wedding ceremony, a reception was held for 35 guests at the Morinville Legion Hall.

For their honeymoon, the newly-weds visited relatives in Revelstoke, B. C. after stopping at Banff. They made their homeward journey by way of Jasper. Mr. and Mrs. Gerry Kosch, are making their home in Morinville. Mr. Kosch is employed there at Tremblay's Garage.

Very best wishes to the new couple from their many friends.

Graduation Exercises Thibault High School

"Climb Every Mountain" was the theme for graduation at Thibault High School held on Saturday, October 22. The exercises began with Mass at five-thirty, followed by the banquet at six-thirty.

Present at the mass were the graduates, their friends and their relatives. Seventy-seven people attended the banquet. At the head table were seated Mr. and Mrs. A. E. Kuntz, Superintendent of the Divisional District; Mr. and Mrs. L. Chalfoux, Vice-President of the School Board; Mr. and Mrs. M. Schayes, Principal; Mr. and Mrs. G. Lavallee, master of ceremonies; Father Primeau, Father Beaupre and Sister Marie Agnes Joseph, Vice-Principal.

A vote of thanks was extended by Mr. Larry McDonald on behalf of the graduates to the members of the School Board, the parents and the teachers. Mr. Charles Hillman answered on behalf of the parents, while Mr. Mathias Tellier answered on behalf of the School Board, Vice-Principal, Sister Marie Agnes Joseph answered on behalf of the teachers. The evening exercises began

with the Processional played as a duet by Mrs. Sharon Kieser and Mr. George Lavallee while the graduates made their entry. The happy graduates for this year were: Shirlene Hillman, Lucille Hogue, Stewart Behiels, Lorraine Labonte, Larry McDonald, Lucien Meunier, Geraldine Morris, Allan Pelletier, Richard Pugliese, Sister Marie Agnes Therese, Sharon Wiley and Russell Suffes.

The welcome was extended by the master of ceremonies, Mr. Paul Chalfoux. He then introduced the choir which sang "Climb Every Mountain", the graduation theme, under the expert direction of Mr. G. Lavallee. After this inspiring song, Mr. Marcel Schayes, Principal, introduced each graduate with a brief address. The graduates came forward to receive their diplomas from their former teacher, Sister Marie Charles Joseph. They also received pins and congratulations from Mrs. Edward Kryskow of the School Board and Mr. Mardel Schayes.

The valedictories given by Lucille Hogue and Stewart Behiels expressed the gratitude and the aspirations of all the graduates.

The guest speaker for the evening, Mr. J. D. Feehan of the Edmonton Separate School Board, was introduced by Rev. Father Primeau. He spoke especially to the graduates on how they can benefit their community. Several awards were also presented on Graduation Night by the Thibault School Board and the Sturgeon School Division. Mr. Louis Chalfoux, replacing Mr. Leon Rippe, who could not attend, presented awards for the Thibault School Board.

Receiving cups for outstanding achievement were Janis PELLETIER, Grade IX; Helene ROGUE, Grade X; Stella HILLMAN, Grade XI; and Stewart BEHIELS, Grade XII. Stewart also received

Council Considers

Continued from Page 1

As Councilor Parkes terms it "Mount Everest of car bodies". Before leaving the meeting Mr. Shabaski pointed out that the firm was more than willing to co-operate. "The owner has gone quite far, legally he didn't need to go this far," he said. He added that among other things the firm is prepared to spend \$150 to landscape the premises. Mayor Fowler called this offer and "insult to Council". The Mayor added: "all of us have houses, we know the cost of landscaping". The Mayor went on to say "we should demand that they take the whole messy thing (tower of car bodies) down, landscape their yard to our standards and until this is done they won't need to waste their time or ours by coming before Council." The Town will entertain the application for expansion again after the yard is cleaned up, properly landscaped and a \$5,000 - cash bond is deposited with the Town. DRAINAGE PROBLEM:

Town Engineer Jan Maandag reported that he had been in touch with the representatives of the Sisters in regard to the runoff from the Youville Home which has been a constant source of irritation to the people on Mount Royal Drive. The problem should be remedied in about a week when the change over to draining into the sanitary sewer should be completed. Mr. Parkes commented: "We'll need to have a sanding truck up there contin-

ually if we get a couple of quick freezes."

Mayor Fowler can only agree with that. "I came scooting around there the other evening and nearly ended up in the mail box," he said.

K.C.'s Installed

Continued from Page 4

District Deputy John Kluthe, officiated during the ceremony. Those taking part were Grand Knight, William Krauskopf, Deputy Grand Knight, Gerard McKee, Chancellor, Art Krauskopf, Financial Secretary, Ralph Gaetz; Recorder, Gordon Hittinger; Warden John Saunders; Treasurer, Ublad Chevalier; Lecturer, Maurice Logan; Trustee, Paul Brochu; Inside Guard, Joseph Lutz; Outside Guard, John McKee; Advocate, Floyd Volz; District Deputy, John Kluthe then charged the newly installed Grand Knight and other members of the Executive of their respective duties. He stressed the need of unity among all, and called for the support and encouragement from every member for a successful year.

He then explained in details what the K. C. Crest stood for, Charity for all, being the first principal of the K. C.'s Faith, Hope and Unity, as well as Dedication of self and work for God. Mr. Kluthe also explained the Motto on the K. C. Banner, "Time Flies, Remember Death"

Mrs. Edith Caron, a snappy dancer herself at 79 years, pauses to watch the style of Mr. Loyd Wheatling during the dancing at the Senior Citizens Hallowe'en party last Friday evening. Photo by John's Photo Craft.

a scholarship worth one hundred dollars.

Mr. A. E. Kunst of the Sturgeon School Division presented pins to the following students: Judy MEYER Grade IX; Kenneth SAUNDERS, Grade X; Stella KILIAN, Grade XI and Stewart BEHELS, Grade XII. Stewart Beheles was also presented with a two hundred dollar scholarship. Another six hundred dollar scholarship was also received by Mr. Beheles from the Queen Elizabeth Fund, but was not presented on this occasion.

The exercises ended with "O CANADA" sung by all present. The gymnasium was then transformed into a candlelit ballroom for the graduation dance which followed.

MOTO SKI is here. Drop in and have a free demonstration, NORTHLAND EQUIPMENT - 11 St. Anne St., St. Albert, Alberta, Ph. 599-3471 n2c.

Maurier-Perrot wed in double ring ceremony

On Saturday, October 22nd, St. Emile's Church in Legal was the setting for the wedding of Miss Madeleine Maurier, daughter of Mr. and Mrs. Omer Maurier of Legal to Raymond Perrot, son of Mr. and Mrs. Charles Perrot of Riviere Qui Barre.

Rev. Father Ricard performed the double-ring ceremony. The bride's two nephews Remi and Roger Gauthier were altar boys. Soloist was Mrs. Jeanne Maurier accompanied at the organ by Mrs. Charles Clement.

The bride given in marriage by her father chose a sheath floor length gown of peau de soie with natural waistline, long sleeves and a detachable train. Alceon lace appliques graced the skirt train. Her bouffant veil was held in place by a headpiece of french lace petals encircled by pearls and crystal rings and a front crystal drop. She carried an autumn bouquet of white chrysanthemums with coloured wheat.

The bridesmaids Rita Perrot sister of the groom and Lilliane Rochon cousin of the bride wore floor length dresses in gold peau de soie. Their headpieces were crystal tiaras. They carried bouquets of Autumn Nosegays. Best men were Laurent Maurier and Denis Fitzgerald. Ushers were Claude Maurier

and Larry Perrot brothers of the bride and groom.

A reception was held in the Legal Community Hall. Mr. Arthur Perrot was Master of Ceremonies and Rene Maurier proposed the toast to the bride.

For her daughter's wedding Mrs. Maurier chose a turquoise and gold brocade dress with black accessories and turquoise tipped carnations in her corsage.

Mrs. Perrot wore a red woolen dress, complemented with black accessories and a corsage of red tipped carnations.

For her honeymoon to Banff and the Western States the bride changed to a lovely camel haired cape suit with black accessories.

On their return the couple will reside in Riviere Qui Barre.

The November Council meeting will be held on November 10 and 23, 1966, commencing at 10:00 a.m.

BUSINESS ARISING FROM THE MINUTES:

Fire Protection Services will be dealt with at the November

Municipal Public Works MEETS WITH TAYLOR:

Mr. Van de Walle reported that the Committee and Councillors from Morinville had met with the Honorable G. Taylor regarding the drainage area of Morinville and the repairing of the Old No. 2 Highway through the Town extending north for a total of 6 miles.

Valedictory by Stewart Behiels

Special to the Gazette.

Reverend Fathers, Reverend Sisters, Dear Parents and Teachers, Ladies and Gentlemen:

It is with the greatest pleasure that I address you tonight on behalf of my fellow graduates and myself.

It is often the mistaken impression of the graduating student that his graduation and the conferring of diplomas draws a dramatic finale to his education. This should not be the case. Some of us have completed our formal education and have taken jobs while others have entered technological or university fields. But none of us has completed his education. We all have the obligation to preserve the open-mindedness which marks the truly educated person. Once we close our minds to new ideas and begin to cling tenaciously to the old, our education has sadly come to a close.

Fortunately, we are in the midst of a peaceful revolution—a revolution in education, in technology, in our church life, in literally all phases of our lives. We must condition ourselves to see clearly the changes which are coming about and keep open minds in order that we may judge wisely whether or not to accept these changes in our lives. In short, we must continue to educate ourselves.

For us, this should not be a difficult task. Our Education at Thibault has taught us a fundamental rule for making for ourselves a rewarding life and a useful life. That rule is: "Love Knowledge and never be satisfied with the little you possess. We owe it to ourselves and to the many who have put their trust

in us never to be satisfied with becoming anything less than the greatest of which we are capable.

To fulfill this obligation must be our primary task. It will be our way of showing all of you who have put your trust and hope in us that we shall never forget that without you we would not be graduating tonight. Without you, we would not have the great opportunity made possible by our education. Without your inspiration and example, we would not even realize the significance of the diploma which we have received.

And so I join with my fellow graduates in expressing this hope: that through perseverance we may make full use of our talents and capabilities, with your continued trust and support and with the grace of God.

Mission Hill News

Paul Antoine Deschenes, son of Mr. and Mrs. Aristide Deschenes, was baptized Sunday by Rev. A. Kerosak, O.M.I. Sponsors were Richard and Marthe Smith.

The Marriage of Rene Raymond Bonnevillie and Rhonda Anne Parry was solemnized Saturday, October 29th at St. Albert Roman Catholic Church Rev. M. J. Lafrance, O.M.I. officiated.

The Sacrament of Matrimony was also conferred on Edward George Dettling and Lori Charlotte Jung, Saturday, Rev. C. Lavange, O.M.I. performed the ceremony.

A very large crowd gathered on the "St. Albert Mall" Sunday to take part in the parish bazaar. A spirit of good fellowship was evident as friends met to renew acquaintances, shop and relax over a cup of tea at "The Bruin Inn". Winners of the raffles will be announced in the next issue.

UNITED CHURCH

The Third St. Albert Club Pack at the United Church had a very successful beginning last Thursday. There is still room for more boys from 8 to 12 years of age. The Pack meet in the lower hall of the church from 6:30 to 8:00 p.m. each Thursday. The Study Group on the book "The Church and the World" will begin on Tuesday, November 8th at the home of Mr. and Mrs. Mack Lyle, 3 Gretna Place. Another Study Group under the leadership of Dr. Ed. Schwartz is being held at the Schwartz residence each Wednesday evening. The discussion is on the Life of Paul.

Anyone interested in either of these two groups should contact Mr. Musto (599-8618). Mrs. Lynn McDonald, Social Convener of the U.C.W., wishes to thank all those who supported the Annual Turkey Dinner, and those who brought contributions of food. A special thanks is extended to the co-conveners: Elva Keith, Lois Folkins, Irene Hill and Fran Shultz, the Scouts Guides, H.C. Choirs and all the others who helped to make the supper a success.

The Honorable Minister assured the Committee that his Department will make all necessary repairing and reinforcing of the said highway within a year and a half before turning over this road to the Municipality.

The Underpass west of Naino on the Correction line road was also discussed. The Committee explained to Mr. Taylor that the Council is favoring the building of a new underpass on the original road allowance in order to reconstruct the road straight through.

The Honorable Minister stated that his Department was recommending the use of the existing old underpass with the reconstruction of the road division proper, to eliminate the sharp curves and thus avoid the present traffic hazard.

SOIL RECLAMATION COUNCIL:

Messrs. R. Baert and A. Cameron from the said Council, attended the meeting in order to discuss the drainage problem of Mr. Atherton vs. the Canadian Industrial Gas and Oil Co. Ltd., on the private access road to an oil well. Messrs. Baert and Cameron explained how the relocation of a culvert on the road allowance would partly rectify the problem. Mr. Walker informed the delegation that he would have the Public Works Foreman inspect the suggested relocation of the culvert and if found proper - to have said relocation made and the roadway ditch cleared.

DRAINAGE DITCH EAST OF MORINVILLE:

The Public Works Foreman informed the Council that the Town of Morinville will be starting the construction of this north east ditch by October 17, 1966.

ROAD DRAINAGE COMPLAINT - MR. SNOWDEN:

Mr. Rye informed the Council that the necessary culverts had been installed and cleaning of the ditch north on 137 Avenue had been made.

ROAD GRAVEL AND CULVERT NEED - MR. PUKOLSKY:

Mr. Rye stated that he had carried out the requested inspection. He stated that he had informed the man in question, that the said road would not be regraded this year.

GRAVEL LEASE - MICHAEL INVESTMENTS:

Mr. Walker informed the Council that he had met with Mr. Rogers of Michael Investments regarding the said gravel lease. He stated that the said company is not prepared to give this Municipality an agreement granting permission to a further gravel test of the gravel material on the Company's land, MORINVILLE LOTS:

It was moved that the Council authorize the Public Works Committee to negotiate with the Town, of Morinville with power to act, on the purchase and exchange of lots for culvert storage purposes.

ROAD SERVICES TO INDUSTRIAL AREA - NORTHWEST OF CITY LIMITS:

Mr. Walker informed the Council that the Company's in the said industrial area are willing to pay the cost of hiring a constable, which would be considered as private detective work in order to provide adequate police supervision at night, of this area.

POLICING OF INDUSTRIAL AREA:

Mr. Hillman stated that he had no objection of having a private constable or detective supervising the said area if the Companies are willing to pay for such services.

SUN PUBLICATION LTD:

Mr. Pae and Mrs. Jean Hadley attended the meeting regarding the publication of the Sturgeon Journal and the termination of contract, to be effective November 1, 1966.

Mr. Pae reviewed the past services that his paper had rendered to this Municipality since 1949. He admitted that during the past year and especially since July 1, his firm has been disorganized, due to staff shortage and financial difficulties. He was questioned by the Council on his Company's failure to publish Municipal Notices and the minutes of the Council meetings. The Members of the Council informed Mr. Pae that they were dissatisfied with the publication of the Sturgeon Journal, and thus had taken action to terminate the contract. Mr. Pae requested Council to consider leaving the termination of contract in abeyance for a month or two, in order to give him a chance to prove his good intentions of improving the services.

The Reeve informed Mr. Pae that the Council will consider his request and advise him accordingly by letter.

CONVENTION CALL - NOVEMBER 15 - 18, 1966.

The Secretary Treasurer gave each Councillor delegate his credentials which had been signed by the Reeve and the Secretary Treasurer.

It was moved that the Council appoint Mr. A. Nobert Secretary Treasurer, as a voting delegate at the November 14-18 Municipal Convention.

MOTION CARRIED:

REPRESENTATIVES MET COUNCIL:

Mr. Robert Dickey, executive director of the Mental Health Association attended the Council meeting in order to inform the Councillors of the activities of said association. He stressed the importance of preventive measures on mental health.

It was moved that the Council review the above mentioned.

TOWN AND COUNTRY PUBLICATIONS:

Mr. E. Jamison attended the Council meeting in regard to the publication of a newspaper for this Municipality.

CIVIL DEFENCE - COORDINATOR'S REPORT:

Mr. Reg. Austin, co-ordinator of Civil Defence for this Municipality, attended the meeting and submitted a brief report on Civil Defence activities during 1966.

ACCOUNTS:

It was moved that the Council authorize the payments of accounts as submitted, by the Secretary-Treasurer.

MOVED: that the Council accept the Expenditure and Revenue Statement of the Agricultural Service Board as presented by the Secretary Treasurer.

MUNICIPAL EXPENDITURE CONTROL STATEMENT:

The Secretary Treasurer provided each Councillor with a copy of said statement and explained to the Council details within.

MOVED: that the Council accept the Expenditure Control statement as presented by the Secretary-Treasurer.

MOTION CARRIED.

MONTHLY FINANCIAL STATEMENT:

Each Councillor was given a copy of the monthly Financial Statement, month ending September 30, 1966, which was read and explained by the Secretary-Treasurer.

A brief resumé is as follows:

Net Balance at the end of previous month	\$431,659.43
Receipts for the month	3170,788.15
Disbursement for the month	\$602,477.58
TOTAL	\$273,343.52

NET BALANCE AT THE END OF THE MONTH	\$329,134.06
-------------------------------------	--------------

PUBLIC WORKS FOREMAN'S REPORT:

The Secretary Treasurer read to the Council Mr. Stack's monthly report. The following is a brief resumé of said report: Road patrol maintenance costs, \$63,018.00
Culverts installed, 12,584.76
Machine Rental, 4,585.75
Graveling 176 and 1/2 miles road & patching 157,662.67
Construction of 28 and 1/2 miles road, 78,529.00

It was moved that the Public Works Foreman's report be accepted by the Council as was submitted.

MOVED: that Council Meeting adjourn at 5:10 p.m., and to reconvene at 9:00 a.m., October 14, 1966.
